What happens if I forget to cancel my registration?

We ask that if you are unable to attend the group fitness class that you cancel your registration. This allows other participants on the waiting list to take your place and join the group fitness class. If you fail to cancel your registration, you will receive a “no-show” for the class via email. An accumulation of 5 no-shows will result in a warning and an accumulation of 10 no-shows will result in a suspension from the campus recreation facility. An appointment with a supervisor must be made to remove the suspension from the facility.

How can I invite my friends to join a class on IMLeagues?

IMLeagues lets you send invitations for group fitness classes to your friends via email! Once you are on the page of the class you would like to share, look along the top of the above announcements. Click the search bar and type in the names of your friends you would like to invite to join the class, then hit the green “invite friends” button on the right side.
